Department of Computer Application

Certificate Course (2024-25)

LearnTech-AI Tools for Academics

Course Outcome

Programme Specific Outcome (PSO)

Students specializing in the field of Computer Applications with AI Tools for Academics will:

1. PSO1: Gain practical experience with AI tools such as ChatGPT, Canva, QuillBot, and Grammarly to enhance productivity in academic environments.
2. PSO2: Effectively design and present academic or creative content using AI-assisted platforms.
3. PSO3: Improve academic writing through AI-based paraphrasing and proofreading tools, enabling better documentation and content generation.
4. PSO4: Develop confidence in applying AI skills for interdisciplinary tasks involving communication, design, and content development.
