

MES Asmabi College

OBC Cell - Annual Report-2022-23

OBC Cell of MES Asmabi College functioned under the Liaison Officer Jeena P.M. Dr. Ansar and Sabeena. P A were members. This report sums up its functions highlighting our activities, achievements, and endeavors during the period from June 2022 to March 2023. A Motivation cum Communication Skills class arranged for the students of MES Asmabi College on Tuesday, 17th December. This initiative was part of our ongoing efforts to equip students with essential skills and empower them for their academic and professional journeys. The Motivation cum Communication Skills class aimed to enhance students' soft skills, focusing on motivation, effective communication, and interpersonal abilities crucial for their personal and professional growth. The session began with motivational talks and discussions, inspiring students to set goals, overcome challenges, and maintain a positive mindset amidst academic and personal endeavors. Practical guidance and exercises were conducted to improve verbal and non-verbal communication skills. The focus was on clarity, confidence, and effective articulation. The Motivation cum Communication Skills class was an enriching and empowering experience for the students. It not only provided them with essential soft skills but also encouraged a positive mindset essential for personal and professional success.

We intend to continue organizing such sessions to further empower our students, enabling them to navigate their academic and professional lives with confidence and effectiveness.

Dr. Jeena. P.M
