

ANNUAL REPORT OF THE MINORITY CELL 2019-2020

A discussion session focusing on the challenges encountered by minority students in our country was conducted on 12/09/2019. Smt. Reena Mohamed presided as the moderator, facilitating an open dialogue among students. The discussion witnessed active participation from students who expressed concerns about the pervasive sense of insecurity experienced by minority communities across the nation.

During the discourse, students highlighted various issues ranging from discrimination to limited access to opportunities due to socio-economic disparities. The discussion provided a platform for students to voice their perspectives and share personal experiences, contributing to a deeper understanding of the challenges faced by minority students in our society.

Moderator's Remarks: Moderator Smt. Reena Mohamed emphasized the importance of fostering interfaith dialogues as a means to bridge the gap between different communities. She acknowledged the significance of mutual understanding, respect, and empathy in addressing the underlying tensions and promoting harmony among diverse groups.

Career Guidance Program: In line with its commitment to supporting minority students, the Minority Cell hosted a career guidance program on 21 October 2019 organized by the State Minority Welfare Department. The program aimed to empower students with valuable insights, information, and resources essential for making informed decisions regarding their academic and professional pursuits.

The career guidance program featured expert speakers and counselors who provided and scholarship programs available to minority students. Through interactive sessions and workshops, students were equipped with the necessary tools and information to navigate the complexities of the academic and professional landscape effectively.

The discussion on problems faced by minority students and the career guidance program organized by the Minority Cell underscored the institution's commitment to addressing the needs and aspirations of minority students. By facilitating constructive dialogues and providing access to valuable resources, the institution strives to create an inclusive and supportive environment conducive to the holistic development of all students.
