

ANNUAL REPORT OF THE MINORITY CELL 2021-22

In the academic year 2021-22, a concerted effort was made to enhance the skill acquisition of students with the aim of equipping them to earn income. This report encapsulates the successful training programs conducted for students interested in making jute bags and repurposing used clothes into bags.

Training Program: The training program conducted on 15th December 2021 commenced with the identification of students interested in learning the art of making jute bags. A selected group of enthusiastic students participated in the training sessions, which were designed to impart comprehensive knowledge and practical skills in bag-making techniques. The program aimed not only to foster creativity but also to instilled entrepreneurial spirit among the students.

Success of the Training Program: The training sessions proved to be immensely successful, as evidenced by the proficiency attained by the participating students in crafting jute bags of superior quality. The students not only mastered the technical aspects of bag making but also demonstrated a keen understanding of design aesthetics and market trends. Furthermore, the program facilitated teamwork and collaboration among the students, fostering a conducive learning environment.

Organized Sale of Bags: Following the completion of the training program, the students took proactive steps to organize the sale of jute bags. Leveraging their newfound skills and entrepreneurial acumen, they effectively marketed their products both within the school community and beyond. The sale not only generated revenue but also garnered positive feedback from satisfied customers, thereby validating the efficacy of the training program.

Expansion to Recycling Used Clothes: Building upon the success of the jute bag-making initiative, another session was conducted to impart training in the art of repurposing used clothes into bags. Recognizing the importance of sustainability and eco-friendliness, this extension of the training program aimed to inculcate values of environmental stewardship and resourcefulness among the students.

The skill acquisition training programs conducted during the academic year 2020-21

have been instrumental in empowering minority students with practical skills and entrepreneurial mindset. Through hands-on learning experiences and real-world applications, students have not only honed their craft but also cultivated a sense of self-reliance and innovation. Moving forward, it is imperative to sustain this momentum and explore further avenues for skill development, thereby enabling students to realize their full potential and contribute meaningfully to society.

PRE-MARITAL COUNSELING: MES Asmabi College under the guidance of CCMY Kodungallur organized Pre-marital counselling for its students in the four consecutive days from 2nd February. The session began on 02/02/2021 in the college. After the introduction and re-

assurance on the purpose of premarital counselling by the Principal of CCMY, Dr. Sulekha, the first session was led by Smt. Sabira on the topic “Introduction to Marriage” Second session was taken by Adv. Kunjumon with the topic “Husband wife relationship “.The participants’ feedback reinforced the spirit of the class.
