

Report of the Grievance Redressal Cell: 2023-24

Grievance Redressal cell was organised with the purpose of Solving the grievances in the college on internal and external matters. During the year 2023-24 we had one grievance registered and the committee was constituted under the chairmanship of Principal Prof. Dr. A. Biju. Committee was constituted with Dr. Haseena V.A (Dept Assistant professor, Dept of Economics), Dr. K. Kesavan (Associate professor, Department of Aqua Culture), Veena Lakshmi U.R (Assistant professor, Department of English), Dr. Sheena P.A (Associate professor, Department of Physics) and Amrutha C (Student representative in M.A Economics).

The case was handled by the Committee by having interaction with the victim and complainant and student community were also called for different types of interaction. on the basis of the reports from various sections final conclusion were reached. Final reports were submitted to the principal on the basis of the Enquiry.

complaint boxes were fixed in front of departments and students can put their complaints in the complaint boxes. This was the good mechanism

adopted to address the grievances in the college.
