

Detailed Report on Young Innovators Programme 7.0 Orientation

Date: 13th January 2025

Day: Monday

Time: 10:30 AM to 12:30 PM

Venue: New Seminar Hall

The Young Innovators Programme (YIP) 7.0 Orientation was held on January 13, 2025, aiming to equip students with the knowledge and skills necessary to participate effectively in the program. This initiative is part of the broader efforts to foster innovation and entrepreneurship among the youth.

The event began at 10:30 AM with a warm welcome from **Dr. Dhanya P.R.**, the Nodal Officer for the Young Innovators Programme. Dr. Dhanya highlighted the significance of innovation in today's rapidly evolving landscape and encouraged students to actively engage in the program.

The orientation was organized by:

- **Dr. Dhanya P. R.:** YIP Nodal officer
- **Ujwala Nawas:** ED club coordinator
- **Dr. Princy Francis:** IEDC Nodal officer
- **Chithra P.:** YIP Assistant Nodal officer

Their combined efforts ensured a smooth flow of the event and a well-structured agenda.

Athira Narayanan, the Senior Programme Officer from the Kerala Development and Innovation Strategic Council, addressed the attendees during the session. Athira provided insights into the objectives of YIP 7.0, emphasizing how the program aims to nurture creative thinking and problem-solving skills among participants.

The orientation witnessed enthusiastic participation from approximately **150 students** across various academic streams. This diverse representation underscores the program's appeal to a wide array of future innovators.

Training Sessions

Participants received hands-on training on two critical components:

- **How to Register on the YIP Students Portal:** The session covered step-by-step instructions on creating a personal account, managing their profiles, and navigating the portal.
- **How to Submit Ideas:** This segment guided students on effectively articulating their innovative ideas, preparing submissions, and the evaluation criteria.

Interactive sessions and Q&A opportunities ensured that participants could clarify doubts and engage with the facilitators.

The orientation wrapped up at 12:30 PM with a heartfelt vote of thanks delivered by **Meenakshi T.R.**, a first-year student from the Department of Aquaculture. Meenakshi expressed gratitude to the organizers, speakers, and participants, reflecting the collective enthusiasm for the upcoming projects.

Conclusion

The Young Innovators Programme 7.0 Orientation successfully laid the groundwork for upcoming initiatives by imparting essential knowledge and skills to the student participants. The engagement exhibited by students indicates a promising start to YIP 7.0, with high expectations for innovative contributions in the future.

The brochure features a red and white color scheme. On the left, the YIP logo is displayed in large, stylized red letters with white outlines, with the text 'YOUNG INNOVATORS PROGRAMME' underneath. Below the logo, a red location pin icon is followed by the text 'Venue : New Seminar Hall', '10.30 am', and '13/01/2025'. The background of the brochure shows a laptop keyboard, a mouse, and a pair of glasses on a desk. The main title 'M.E.S. ASMABI COLLEGE, P.VEMBALLUR' is at the top, with the college crest below it. The central text reads 'YIP 7.0 - ORIENTATION'. A circular portrait of Athira Narayanan is shown, with her name and title 'ATHIRA NARAYANAN YIP Intern K-DISC' below it. To the right, a list of bullet points provides details about the program. At the bottom, the names of the YIP coordinators and the organizing committee members are listed.
