# Report

VENUE: SEMINAR HALL 2

DATE: FEB 10 2025

PARTICIPATION: 46

The Department of Digital Film Production at MES Asmabi College, P. Vemballur, successfully organized Film Fiesta 2025 on February 10, 2025 (Monday), as part of its Association Day celebrations. The event aimed to provide students with an immersive experience in cinema, particularly focusing on acting and performance techniques.

A key highlight of the fiesta was the acting workshops, which provided students with hands-on training in various aspects of acting, including body language, improvisation, and stage presence. The workshops encouraged students to step out of their comfort zones and engage in interactive performance exercises, helping them refine their skills.

The event was inaugurated by Vaishk D Raj, a renowned theater artist, who shared his experiences and insights from the world of theater and cinema. His presence was highly motivating, encouraging students to explore the depths of performance arts. A total of 46 students actively participated in the event, eager to enhance their acting skills and gain practical exposure.

## Outcome

The event successfully achieved its objectives by conducting acting workshops that allowed students to develop confidence and improve their performance techniques. The high level of student participation reflected their keen interest in learning and honing their acting abilities. Many participants expressed their enthusiasm for further training opportunities, highlighting the positive impact of the event on their creative and professional aspirations.

Overall, Film Fiesta 2025 was a resounding success, providing a dynamic platform for students to explore the art of acting while fostering a deeper appreciation for film and theater. The event reinforced the department's commitment to nurturing budding talent in the field of digital film production.
