

Report on Library Orientation for First-Year Degree Students

Date: 18-11-2024

Venue: Digital Library, MES Asmabi College

The Library Orientation Program for first-year degree students was held on 18th November 2024 at the Digital Library of MES Asmabi College. The event introduced students to the library's facilities, digital and physical resources, and research tools. The session began with a welcome address by the Librarian Smt Saliha P J, followed by remarks from HOD Smt Nasreen A, HOD . Students participated in a guided tour of the library and a hands-on demonstration of the online catalog and e-resources. An interactive session allowed students to clarify doubts and learn effective research techniques. First year students attended, actively engaging in discussions and activities. The initiative successfully equipped students with essential library skills to support their academic journey.
